2004 Mack Truck with Hiab XS 288 Crane

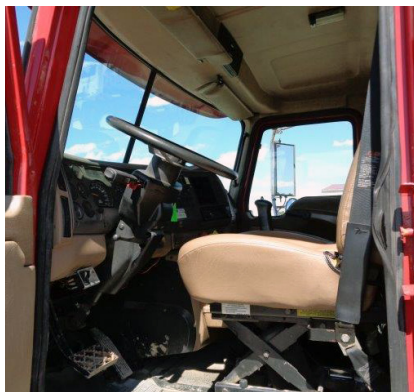

plus 45 yard Dump Bed we will install

Additional Equipment:

Cruise Control
Air Conditioning
Double Frame, 4250 Floats, 11-22.5 Budds, 275-22.5 Budds

Lift capacities: 7 fully hydraulic extensions will reach to 61' and there lift 2,028 lbs.
At 8'2" lifts a whopping 20,713 lbs.

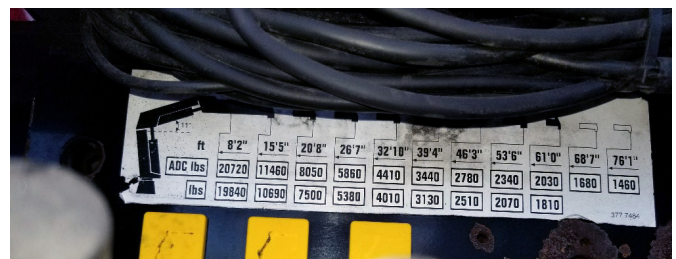

We will replace the 19 Ft. Flatbed with a 45 cubic yard dump bed, unless you opt for a 5th wheel to pull your own dump trailer.

To Hiab XS 288-7 Hi Pro Knuckleboom crane, we will add a rotating grapple for easy debris pickup.

Total Investment Only \$119,000 USD, delivery available

FRIENDLY FINANCING AVAILABLE- JUST ASK. Thanks for your business and we will help you in every way. Delivery available

All used vehicles, equipment, and buildings are sold as-is, where-is, with no warranty expressed or implied. Any quoted delivery costs are estimates only and may vary depending on time/fuel/labor/equipment/motels.

plus 45 yard Dump Bed we will install

*"Another of our crane/
grapple trucks shows
concept- Mack will have
its own dumping bed vs.
pulling a separate trailer."*
