RUNNION
ADVANTAGE

The **TOP 10 REASONS** to get the **Runnion Advantage**

- 1 NEW EQUIPMENT** designed for your needs
 - OSHA certified for one year
 - Free crane safety class for your operator
 - Access to the best financing deals in the industry
- 2 USED EQUIPMENT** OSHA certified
Wide selection, always changing
- 3 A RENTAL FLEET** ready to work
 - All rental units are OSHA certified
 - Emergency rentals as quickly as 60 minutes
 - Test a crane by renting, then convert to a purchase
- 4 LICENSE AND TITLE** with purchase
As a registered dealer, we handle all licensing and title requirements.
- 5 FIELD SALESMEN**
Our salesmen visit you at your location to understand your needs, so you can select the equipment best suited to your business.
- 6 ELITE DEALER AWARD** from National Crane
 - Factory trained technicians
 - Over \$750,000 in parts inventory, 24 hour delivery
 - Emergency service at your jobsite
- 7 CRANE SEMINARS** for safety and maintenance
 - Crane safety classes twice a year include crane set-up, ground conditions, and how to read a load chart.
 - Free maintenance seminars twice a year with maintenance procedures, tips and tricks of the trade
- 8 WARRANTY SERVICES**
 - We schedule warranty repairs one month prior to the warranty expiration.
 - Discounted rental fees during service for warranty repairs
 - We notify the manufacturer when you purchase a new, used, or rental crane, so you receive all warranty notifications directly.
- 9 SPECIAL SERVICES** while your crane is serviced
 - Borrow our Chase Car when you drop off your crane. It's free!
 - We'll pick up and drop off your crane for a nominal charge.
- 10 FAMILY OWNED** since 1975
 - Pat Runnion is active in the daily business as CEO.
 - Former president of the National Crane Dealer Council, Pat can voice your concerns to the highest levels of the Manitowoc Corporation.
